INTERVIEW SUMMARY

Assignee's representative would like to thank examiner Cam Y. T. Truong for the courtesies extended to assignee's representatives, David Bultman, Tim Wilson, and John Biernacki during the telephone interview on October 10, 2007. The interview discussed claim 1 with respect to the Hara reference and the Bredenberg reference. Assignee respectfully submitted that the cited references do not disclose the subject matter of claim 1. For example, Bredenberg does not disclose the following limitations of claim 1: wherein data pages store a second key and a third key separately from the root node, index nodes and leaf nodes; wherein the first key points to the second key; wherein the second key points to the third key.

The examiner is invited to contact the undersigned if there are additional questions or comments regarding the instant application.

Respectfully submitted,

JONES DAY
